

For all shirts
(handmade or store-bought)

Wash cold, inside out

Use mild detergent

✗ No fabric softeners – they leave residue that weakens the design and causes peeling or fading

✓ Tumble dry low is okay – but hang or lay flat to dry for longest life

✗ Do not iron on print

✗ No dry cleaning

Applies to:

HTV (iron-on), screen print, sublimation, DTF, DTG, foil, puff, glitter, plastisol, vinyl, and more.

✨ Take care, wear often 💧
